He Ain't Heavy ... He's My Brother

B.J. Thomas

The road is long With many a winding turn That leads us to who knows where Who knows where But I'm strong Strong enough to carry him He ain't heavy, he's just my brother

So on we go His welfare is my concern No burden is he to bear Ahh, were gonna get there For I know He won't encumber me at all He ain't heavy, he's just my brother

If I'm laden at all I'm laden with sadness That everybody's heart Isn't filled with gladness Of love, Love for one another

Oh, It's a long, long road From which there is no return While we're on our way to there Why don't we share And the load Doesn't weigh me down at all He ain't heavy, he's my brother He's my brother
