## **Statue Of A Fool**

**B.J.** Thomas

Somewhere there should be For all the world to see A statue of a fool made of stone An image of a man Who let love slip through his hands And then just let him stand there all alone

And there on his face A gold tear should be placed To honor the million tears he's cried And the hurt in his eyes would show So everyone would know Concealed is a broken heart inside

So build a statue Oh oh build it high So that all All the world can see Then inscribe The World's Greatest Fool And name it after me
