

# Why Don't We Go Somewhere And Love

B.J. Thomas

I don't want to read the paper this morning  
I don't want to hear no busy city sounds  
There's so many things that's so much more important  
And they're the only things worth thinkin' bout

Why don't go somewhere and love  
It's been a long long time  
Why don't we just go somewhere and love  
And lock the world outside

Why don't we just lay down what we're doin'  
We don't need a reason or a rhyme  
Don't take the time to stop and think about it  
If we talk too much we might just change our mind

So why don't we go somewhere and love  
And leave it all behind  
Why don't we just go somewhere and love  
And stay a long long time

Why don't we go somewhere and love  
And leave it all behind  
Why don't we just go somewhere and love  
And stay a long long time
