

# Wisdom Of A Fool

B.J. Thomas

If you're lucky enough  
To have someone who loves you  
Then be glad  
That you have  
Someone who loves you  
For lips that are warm  
Can grow cool  
Listen to the wisdom of a fool

When you take her poor heart  
And you do something to it  
Then you say to yourself  
Why did I do it  
You may find that the world can be cruel  
Listen to the wisdom of a fool

Now I had a love just the same as you  
And I was a fool not to see  
But you still have time to say  
I love you  
I'm afraid it's too late for me

Go back to the arms  
That you know will be waiting  
Hold her close and be glad  
Glad that she's waiting  
You'll be happy  
Believe me if you  
Only listen to the wisdom of a fool  
Only listen to the wisdom of a fool
