

# Lovelier Than You

**B.o.B**

Maybe one day we can go  
Hand in hand down a golden road  
And if I get there before you go  
I'll be waiting at the door  
In the future hopefully  
We'll be together, you with me  
Don't you worry, baby please  
'Cause honestly

If I could rewind  
Both the hands of time  
Still I would never find  
A lovelier design  
Than you

Nothing's lovelier than you  
Nothing's lovelier than you  
Nothing's lovelier than you  
Nothing's lovelier than you

Maybe one day girl I pray  
We could float off to space  
Hold my hand I'll lead the way  
I won't let go or fall astray  
Ain't no ifs buts and maybes  
You're my baby, my lady  
Don't you worry, baby please  
'Cause honestly

If I could rewind  
Both the hands of time  
Still I would never find  
A lovelier design  
Than you

I'm dangerously, dangerously, dangerously in love  
I love her more than I love myself and still that ain't enough  
If this's a dream I don't wanna wake up  
We go together like the tub and the shower head above  
Not even thousands and thousands of miles  
Could amount to my love I'd have countless sky miles  
I'd climb up a mountain, climb right back down  
I'd run across the world and jog back around  
Noun and a verb is just a sound  
And a word is not profound enough to show my urge for her smile  
I'd shout on a curb with a loudspeaker  
'Till the entire town heard how I felt  
And I'm out

Nothing's lovelier than you  
Nothing's lovelier than you  
Nothing's lovelier than you  
Nothing's lovelier than you

Maybe one day we can go  
Hand in hand down a golden road  
And if I get there before you go

I'll be waiting at the door  
In the future hopefully  
Well be together, you with me  
Don't you worry, baby please  
'Cause honestly

If I could rewind  
Both the hands of time  
Still I would never find  
A lovelier design  
Than you
