Ballerina  
Uh uh uh Ballerina

What I gotta do to make you understand  
Living in a wonderland  
So let me take you by the hand  
Bridge 1 (John):  
You really mean the world to me  
And you know you are my destiny  
When real I looking in your eyes  
You make me feel like paradise

Ballerina  
Uh uh uh Ballerina  
yeah yeah  
Ballerina  
Uh uh uh my Ballerina  
Ballerina

When I kiss you, make your Body flow  
Let use listen, listen to the radio  
Come Close, closer as you can  
I wanna make love  
As long as we can

You really mean the world to me  
And you know you are my destiny (yeah)  
When real I looking in your eyes  
You make me feel like paradise

Ballerina  
Uh uh uh Ballerina  
yeah yeah  
Ballerina  
Uh uh uh my Ballerina  
Ballerina

What can I do to make it right  
I don't wanna knew a sleepless night  
And never again my love oh no  
Ballerina  
I don't wanna lose the loneliness  
I don't wanne lose the emptiness  
Never again my love oh no

Two hearts broken, one word spoken,  
Love is like a deep deep ocean  
Cooled the soul  
Every never go apart from the win and the win you will leave me at end  
Let me feel you,  
Let me touch you  
Every night a wanna make love to you

Always and, always and forever  
We can make every and ever
