

How Deep Is Your Love

B3

Aaaaaaaah...

I know you rise in the morning sun
I feel you touched me in the pouring rain
And the moment that you wonder far from me
I wanna feel you in my arms again
And you come to me on a summerbreeze
Keep me warm in your love then you softly leave
And it's me you need to show
How deep is your love
How deep is your love, how deep is your love
I really mean to learn'
Cause we're living in a world of fools, breaking us down
When they all should let us be, we belong to you and me
I believe in you, you know the door to bettersome
You're the light in my deepest darkest hour
You're my saviour when I fall
And you made a thing,
I care for you When you know down inside that
I really do And it's me you need to show
How deep is your love
How deep is your love, how deep is your love
I really mean to learn'
Cause we're living in a world of fools, breaking us down
When they all should let us be, we belong to you and me

Nanananana, nanananana
Nanananana, nanananana

And you come to me on a summerbreeze
Keep me warm in your love then you softly leave
And it's me you need to show
How deep is your love
How deep is your love, how deep is your love
I really mean to learn'
Cause we're living in a world of fools, breaking us down
When they all should let us be, we belong to you and me....
