N.Y.B3

I'm on the train to west side Anticipating tonight Get off of the nine, head down the street I'm movin' to my cities beat

There ain't no feelin' like it You know you can't deny it Don't even try to fight it - N.Y.C. Just let the beat control ya And let the music show ya That New York City is place to be

New York The streets, the lights, the sounds New York My peoples in this town New York Just come along and see New York The city that never sleeps

Skyscrapers fill the air Neon lights bighten Times Square Uptown, Downtown, this cities got Me goin' round and round

There ain't no feelin' like it You know you can't deny it Don't even try to fight it - N.Y.C. Just let the beat control ya And let the music show ya That New York City is place to be

New York The streets, the lights, the sounds New York My peoples in this town New York Just come along and see New York The city that never sleeps
