

# Nightfever

B3

Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it

On the waves of the air  
There is dancin' out there  
If it's somethin' we can share  
We can steal it

And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is bright

Chorus:  
Then I get nightfever, nightfever  
We know how to do it  
Gimme that nightfever, nightfever  
We know how to show it

Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine

Chorus

In the heat of our love  
Don't need no help for us to make it  
Gimme just enough to take us to the mornin'  
I got fire in my mind  
I got higher in my walkin'  
And I'm glowin' in the dark  
I give you warnin'

And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is bright

Chorus

Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine

Nightfever, nightfever  
We know how to do it  
(I give you everythin' you wanna know)  
Gimme that nightfever, nightfever  
We know how to show it

(I give you everythin' you wanna know)  
(alles zwei mal)

Chorus
