

[Dustin]

If I was in love  
Just say if I was  
Would you love me back girl (ooh)  
And just because you got a light  
That brightens my night  
Would you say you were "that girl"? (ooh)

[Patrick]

No I don't wanna be a one time thriller  
Brighten up the stars Ima make you feel it  
And who said forever's just a word  
It's something you worth  
And I wanna give you that girl

[Patrick] And I want you to say yea

[Dustin] And I'm gonna say yea

[Patrick] And I want you to say yea

[Dustin] And I'm gonna say yea

[Patrick] And I want you to say yea-yea

[Dustin] I'm gonna say yea

[Patrick] And I want you to say yea

[Dustin] I'm gonna (BOTH) say Yeah

[Patrick]

Ima lay it on the line  
If you say yea, yes  
I promise Ima keep your heart right near mine  
Won't go nowhere  
Come on and say you do-o-o-o-o-o  
Say it, say yea you do-o-o-o-o-o  
And baby girl I want you to be mine  
So just say ye-yes (hey!)

[Dustin]

You flow like the Nile  
I'm lost in your smile  
I don't think I want to be found (oh)  
You're the music to my ears  
Sing me into tears  
You're the melody I need now

[Patrick] And I want you to say yea

[Dustin] And I'm gonna say yea

[Patrick] And I want you to say yea

[Dustin] And I'm gonna say yea

[Patrick] And I want you to say yea-yea

[Dustin] I'm gonna say yea

[Patrick] And I want you to say yea

[Dustin] I'm gonna (BOTH) say Yeah

[Patrick]

Ima lay it on the line  
If you say yea, yes  
I promise Ima keep your heart right near mine  
Won't go nowhere

If I ask you this question  
You gonna tell me yes?  
If I ask you this question  
You gonna tell me, you gonna tell me  
If I ask you this question  
You gonna tell me yes?
