

We Are Family

Babes in Toyland

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

Everyone can see we're together
As we walk on by
(And) And we fly just like birds of a feather
I won't telling no lie

All of the people around us they say (around us they say)
Can we be that close
Just let me state for the record
We're giving love in a family dose

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

Living life is fun and we've just begun
To get our share of this world's delights
(High) The high hopes we have for the future
And our goal's in sight
(We) No we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong
This is our family jewel

We are family
I got all my sisters with me
We are family
Get up everybody and sing
