1. I've tried And you've tried You've cried And I've cried

Em

I've lied And you've lied Together we've died

C

But sometimes

Cadd9

Sometimes it gotta stop

2. I'm cold when you're cold I'm warm when you're warm

We were friends We're still friends

That's all That's all

That's all

G

Em

R: You can't love me I'm unlovable

C

Cadd9

But baby you could try

2. It's all good, it's not bad It's all smiles, it's not sad

There's just time to stop love

Love's gone, move on life's long

R: You can't love me...

Sha la la.... (**G Em C Cadd9**)

3. Love's so sweet it suffocates us Like a sickly kindly gag

And we're floating down the sewer pipe Like kittens in a bag

And the mirror screams to both of us That we are not alone

Then the metaphors explode And suddenly we're home

R: You can't love me... (2x)

(konec na **G**)
