

Maryanne

Babylon A.D.

You bitch!

Triple-X film star, every dirty boy's desire, yeah
Moving like an alley cat, lighting up the screen on fire
Shoot me like a rocket, knock me to the floor
Honey, don't you know I'm gonna really explode
So make my dreams tonight

Maryanne, Maryanne
Lookin' like a young Godiva
Maryanne, Maryanne
Cut me like the perfect diamond
Maryanne, Maryanne
I'm bitten by the snake inside ya
Maryanne

Ooh, lollypop pornshop, fantasy phone connection, yeah
Video snapshot, swallowed up in my obsession
Shoot me like a shotgun, Blow me thru the door
Honey, don't you know I'm gonna really let it go
So share my dreams tonight

Maryanne, Maryanne
Savage like a jungle tiger
Maryanne, Maryanne
Sweeter than that old Delilah
Maryanne, Maryanne
You're playin' with my heart's desire
Maryanne

Lookin' for a good time, shooting for the moon
Maybe you think you'll hit the big time soon
Dancing on a fantasy only being used
I can see it in your eyes, Maryanne

Yeah, yeah, yeah, yeah!
Woo!
Oh!

Maryanne, Maryanne
Lookin' like a young Godiva
Maryanne, Maryanne
Cut me like the perfect diamond
Maryanne, Maryanne
I'm bitten by the snake inside ya
Maryanne

Maryanne, Maryanne
Savage like a jungle tiger
Maryanne, Maryanne
Sweeter than that old Delilah
Maryanne, Maryanne
I want to put it all inside ya
Maryanne, Maryanne
Maryanne, Maryanne
Maryanne
