

# Thank You For The Feelin'

Bachman-Turner Overdrive

Thank you for the feelin'  
But I think I've had enough  
For the sun came late this morning  
And I sure am feeling rough

Been this way for hours  
Just can't seem to clear my head  
Thank you for the feelin'  
But I should have stayed in bed

What a night I had  
Never been so right  
Find a pretty face  
Stayed there most the night

Fed me wine and laughter  
Dandied up so tight  
I don't remember coming home  
And I'm not going back tonight

I'd like to thank you  
I'd like to thank you  
I'd like to thank you for the feelin'

I'd like to thank you  
I'd like to thank you  
I'd like to thank you for the feelin'  
(Give it some feelin')

Thank you for the feelin'  
But I think I've had enough  
For the sun came late this morning  
And I sure am feeling rough

Been this way for hours  
Just can't seem to clear my head  
Thank you for the feelin'  
But I should have stayed in bed

Had a devil's face  
Emotion that could melt  
Why so many dozen men  
A love they'd never felt

Took me home, shared a dream  
Knew just what I'd like  
I don't remember coming home  
And I'm not going back tonight

I'd like to thank you  
I'd like to thank you  
I'd like to thank you for the feelin'

I'd like to thank you  
I'd like to thank you  
I'd like to thank you for the feelin'

I'd like to thank you  
I'd like to thank you  
I'd like to thank you for the feelin'

I'd like to thank you  
I'd like to thank you  
I'd like to thank you for the feelin'

Thank you  
Thank you  
Thank you for the feelin'

Thank you  
Thank you  
Thank you for the feelin'

Thank you  
Thank you  
Thank you for the feelin'

Thank you  
Thank you  
Thank you  
Thank you

Thank you  
Thank you  
Thank you for the feelin' ...
