

The Perfect Fan

Backstreet Boys

It takes a lot to know what is love
It's not the big things but the little things
That can mean enough
A lot of prayers to get me through
And there is never a day that passes by
I don't think of you
You were always there for me
Pushing me and guiding me
Always to succeed

You showed me
When I was young just how to grow
You showed me everything that I should know
You showed me just how to walk without your hands
'Cause, mom, you always were the perfect fan

God has been so good
Blessing me with the family
Who did all they could
And I've had many years of Grace
And it flatters me when I see a smile on your face
I wanna thank you for what you've done
In hopes I can give back to you
And be the perfect son

You showed me
When I was young just how to grow
You showed me everything that I should know
You showed me just how to walk without your hands
'Cause, mom, you always were the perfect fan

You showed me how to love
You showed me how to care
And showed me that you would always be there
I wanna thank you for the time
And I'm proud to say you're mine

You showed me
When I was young just how to grow
You showed me everything that I should know
You showed me just how to walk without your hands
'Cause mom you always were the perfect fan

'Cause, Mom, you always were,
Mom, you always were,
Mom, you always were,
You know you always were,
'Cause, Mom, you always were
...the perfect fan

I Love You, Mom
