You wanna hear a story
A story `bout a broken man
You're just trippin' nowhere
Or is it hard for you to understand
That i'm a man

I'm so sick and tired of you You better not touch me I'm so sick and tired of you And the crazy things you do I'm getting sick and tired I'm getting sick and tired

And i'll die just to get to you Baby, I will lie just to get to you But I ain't never gonna cry

So you wanna hear another story Another story in a different place But when it comes to lovin' I will leave you with a broken face `cause i'm a man

I'm so sick and tired of you You better not touch me
I'm so sick and tired of you And the crazy things you do
I'm getting sick and tired
I'm getting sick and tired

And i'll die just to get to you Baby, I will lie just to get to you But I ain't never gonna cry No way

I don't believe that I will live forever But I do believe that I will die And i'm gonna drive by a hundred miles `cause i'm a high-flying sucker with a super smile

Die

Just to get to you
Baby, I will lie just to get to you
But I ain't gonna cry
Just to get to you
Baby, I will die
Just to get to you
Baby, I will die, die
Just to get to you
And, baby, I will lie
Just to get to you
But I ain't gonna cry
Just to get to you
But, baby, I will die
Just to get to you
