My love, now you're lying lonesome with visions of blue, visioning you.

Again, you let your heart go when, whenever you do, it's hurting me, too.

When damage is done, I watch you run, it's me you call, to me you come.

Kisses and tears - my one and only,
Don't be lonely, I'm right here.
Kisses and tears - we'll turn that bad dream
To a good thing, it's so clear.

Kisses and tears - a new world's waiting That we're creating with our love. Kisses and tears - my one and only, Don't be lonely, don't you run.

You know how a heartache ends, with visions of blue abandoning you. I know that we're more than friends, you know that it's true, it's long overdue. No more to run, no damage done, now hear my call, to you I come.

Kisses and tears - my one and only...
Kisses and tears - a new world's waiting...

Kisses and tears - my one and only...
Kisses and tears - my one and only...
