

Russia In My Eyes

Bad Boys Blue

We fell in love in Moscow
Midnight sun in St Petersburg
Oh Devushka you're my angel Rossiya
Cruising with you on the Volga
Look up to the stars from the Kremlin
Oh Devushka you're my angel Rossiya

Russia in my eyes
A red star in my heart
Oh baby don't ever let me go
Russia in my eyes
A red start in my heart
Baby please don't leave me alone

Cold wind blows on a Moscow night
Firery kiss on Pushkine Square
I knew it was love at first sight
Holding hands in Gorki Park
It's my dream to be with you
Baby you're so special to me

Russia in my eyes
A red star in my heart
Oh baby don't ever let me go
Russia in my eyes
A red start in my heart
Baby please don't leave me alone
