

# Easy On My Soul

Bad Company

Some say love is  
Some say what is love  
Some say in love is love  
When you're around me  
I really want to know

Some say life is  
Some say what is life  
Some say in the life  
When you're around me, yeah  
I say easy, easy on my soul  
Easy, easy on my soul  
Easy, easy on my soul

Some say love is  
Some say what is love  
Some say is love really all around me

I want to tell you my story  
I want to tell you I'm flying  
Anyway, yeah, yeah, yeah

Ah, ah, ah, ah, ah, ah  
Watch me now, all right  
Some say love is  
Some say what is love  
Some say is love really all around me

I want to tell you my story  
I want to tell you I'm flying  
Anyway, yeah, yeah, yeah  
Oh, yeah

Easy, easy on my soul  
Easy, easy on my soul  
Easy, easy on my soul  
Easy, easy on my soul  
Oh, yeah

Won't you take it easy, easy  
Won't you take it easy, oh yeah
