

Love So Strong

Bad Company

Yeah, alright now, alright, alright, alright
Alright, alright, alright, alright, alright
Listen

It took me some time to believe my eyes
Well, thinking back now I must have been blind
Just sixteen years old and I'm coming on strong
When she said, "Yes", my resistance was gone

So come with me hold on tight
Make it together, light up the night

'Cause it's love so strong
And her legs are too long
I don't care if it's wrong
If it's right no, no, right now

You might think that I'm just having my fun
It's so much more than just a hit and run
You've got to find the stick, yeah and my head it'll spin, yeah
If loving is wrong I'm guilty as sin

So come with me hold on tight
Make it together, light up the night

'Cause it's love so strong
And her legs are too long
I don't care if it's wrong
If it's right no, no, right now, come on

Your vision never fades away
I keep on thinking 'bout you night and day
Hold my hand and let me hold you tight
You know, babe, gonna love you tonight

You know baby, I wanted to ooh you
I wanted to lick you down

So come with me hold on tight
Make it together, light up the night

'Cause it's love so strong
And her legs are too long
I don't care if it's wrong
If it's right no, no, right now

Ooh well, it's love so strong
And her legs are too long
I don't care if it's wrong
If it's right no, no, right now

'Cause our loves so strong
And her legs, legs are too long
I don't care if it's wrong
If it's right no, no, right now

Oh right now, oh love's so strong

What an absolute bugger?
