

All Good Soldiers

Bad Religion

All good soldiers crack like boulders
The sun climbs up to a razor,
Violins, new boots, and numbers on a chain
All good soldiers

All good soldiers fall in line
When they march and shout
All good soldiers are a spectacle
Marching and singing
Will go anywhere the president says
Because the president believes in God
Like all good soldiers should

All good soldiers wait like warheads
When the fighting starts who will be
Accountable, a cannibal, a cannonball
All good soldiers, all good soldiers

All good soldiers fall in line
When they march and shout
All good soldiers are respectable
Marching and singing
Will go anywhere the president says
Because the president believes in God
Like all good soldiers should

It's 6 AM I can see my breath
And the clay dirt is laughing at a weakling boy
Today is the day
That I'll write my friends
It's something I've been trying to remember
I had a dream of a wall
That was twenty-one stories tall
All...

All good soldiers fall in line
When they march and shout
All good soldiers are a spectacle
Marching and singing
Will go anywhere the president says
Because the president believes in God
Like all good soldiers should
