Have you been to the desert?
have you walked with the dead?
there's a hundred thousand children being killed for their brea
d

And the figures don't lie they speak of human disease but we do what we want and we think what we please

Have you lived the experience?
have you witnessed the plague?
people making babies sometimes just to escape
in this land of competition the compassion is gone
yet we ignore the needy and we keep pushing on
we keep pushing on

This is just a punk rock song written for the people who can see something's wrong like ants in a colony we do our share but there's so many other fuckin' insects out there and this is just a punk rock song (like workers in a company we do our share but there's so many other fuckin' robots out there)

Have you visited the quagmire?
have you swam in the shit?
the party conventions and the real politik
the faces always different, the rhetoric the same
but we swallow it, and we see nothing change
nothing has changed...

10 million dollars on a losing campaign 20 million starving and writhing in pain big strong people unwilling to give small in vision and perspective one in five kids below the poverty line one population runnin' out of time
