

# Baby Blue Shades

Bad Suns

Hey  
Think about our better days  
Think about you, those baby blue shades  
That's when you told me  
You hope that the old me  
Might show up, I overreact

Hey  
Think about walking away  
Think about all of the ways I've changed  
That's when you told me  
You hope that the old me  
Might show up, he's not coming back

Oh, I  
Can see the moon from my kitchen  
But I  
Cannot see through this decision  
I close my eyes and crossed a line

Now I'm breaking out, yeah you brought me down  
Now I'm breaking out  
I'm breaking out

Hey  
Breaking out to better days  
Buy myself a pair of baby blue shades  
Go on, forget me, I wish that you let me  
You text me, I'm not writing back  
I miss how you hold me, each kiss feels so lonely  
But I know I'm on the right track

Oh, I  
Can see the moon from my kitchen  
But I  
Cannot see through this decision  
I close my eyes and crossed a line  
Now I'm breaking out, yeah you brought me down  
Oh, I  
Can see my world in transition  
And I  
Can see the light I've been missing  
I close my eyes and crossed a line

Now I'm breaking out, yeah you brought me down  
Now I'm breaking out  
I'm breaking out  
I'm breaking out  
I'm breaking out

I miss how you hold me, each kiss feels so lonely  
But I know that I'm on the right track  
That's when you told me  
You hope that the old me  
Might show up, he's not coming back  
He's not coming back  
I'm not coming back

I'm not coming back  
I'm not coming back

Oh, I  
Can see my world in transition  
And I  
Can see the light I've been missing  
I close my eyes and crossed a line now  
I'm breaking out, yeah you brought me down

Now I'm breaking out  
I'm breaking out  
I'm breaking out  
I'm breaking out

Can't bring me down  
I'm breaking out  
Can't bring me down  
I'm breaking out
