

# Lazy

## Bag Raiders

People tell me that I'm lazy  
That I'm just no good  
That kinda talking doesn't faze me  
Though I know it should

By design  
You're always on my mind  
And I think of nothing else  
Because I just don't have the time  
And I don't want to go outside  
There's nothing out there, not for me  
Because you're everything I want  
You know you're everything I need

I don't wanna leave the room  
All I really wanna do  
Is be lazy with you  
And I don't even wanna talk  
I'm laying dead as a rock  
I'm so lazy, ooh-ooh

I don't wanna leave the room  
All I really wanna do  
Is be lazy with you  
And I don't even wanna talk  
I'm laying dead as a rock  
I'm so lazy, lazy with you

I don't wanna leave the room  
All I really wanna do  
Is be lazy with you  
And I don't even wanna talk  
I'm laying dead as a rock  
I'm so lazy, lazy with you

I don't wanna leave the room  
All I really wanna do  
Is be lazy with you  
And I don't even wanna talk  
I'm laying dead as a rock  
I'm so lazy, lazy with you

I'm so lazy with you  
I'm so lazy with you  
(With you, with you, with you)
