

Trick To Happy

Bahamas

Was it going on behind my back?
On second thought, don't tell me that
I don't need to know all the facts
I just need to know

Is there a price for doing well?
Should I feel bad 'cause I can't tell?
I felt guilty there for a spell
But now I need to know

Am I wasting my time?
Ooh
Is there some trick to being happy?
Most days I'm feeling like a half me
And feel that life is moving past me
I only told ya 'cause you asked me

What is the story of the hour?
One man's privilege and his power
How it turns a sweet love oh so sour
Still I need to know

Am I wasting my time?
Ooh
Is there some trick to being happy?
Most days I'm feeling like a half me
And feel that life is moving past me
I only told ya 'cause you asked me
And feel that life is moving past me
I only told ya 'cause you asked me
