

Praise the Crystalline Oracle!  
I am blessed with enlightenment! Hark, Ancient Ones!  
Hear me in thy ebon vaults beneath the earth,  
in thy hoary tombs beneath the waves!  
Hear me in your deathless slumber! Hearken!  
Soon, that slumber shall cease,  
and you shall rise, rise as avenging avatars!  
Your victory shall be absolute,  
and a new era of human obeisance shall dawn!  
The universe awaits your glorious resurrection!  
Purge the world! Cleanse all creation with your purity!  
Praise the crawling chaos!  
The time has come!  
Reveal the sinister power of the Six Keys!
