

Say I'm Wrong

Ballyhoo!

I don't wanna wonder if you love me
I just wanna know this much is true
I've searchin' for a purpose, but I've found someone in you
And now I'm asking questions baby and I can't stop the feelings
I've had
Am I headed for some trouble in this windy heart train track

Way way way too long
I've been tryna get through to you, tell me what should I do
Say say say I'm wrong
If standing up for this is wrong, then I don't wanna be right y
eah

Staying up all night with you is a gift that I won't forget
Make out sessions in the dark like the times when we first met
Making love on the bedroom floor in the night while your parent
s slept
We would laugh and whisper until the morning sunlight crept in

We don't talk much like we used to do
And I miss our silly conversations
Please tell me should I stop loving you?
'Cause I don't think I could even if I tried
Whoa oh

Way way way too long
I've been tryna get through to you, tell me what should I do
Say say say I'm wrong
If standing up for this is wrong, then I don't wanna be right y
eah
