

The Fool

Ballyhoo!

Who do you think you're foolin'?
It's not me
I figured you out and now we're drowning slowly
'Cause I can see right through you
And I believe
Baby, you don't see me, you don't see me

What you thinkin' trying to hold my hand
I know you're thinkin' 'bout another man
He can never treat you like I know I can
But it's too late, it's too late, yeah
You're talking on the phone again
Try to cover, but your cover's blown and then
What you gonna do when I'm gone, girl?
'Cause, baby, it's too late, yeah

Who do you think you're foolin'?
It's not me
I figured you out and now we're drowning slowly
'Cause I can see right through you
And I believe
Baby, you don't see me, you don't see me

You're creepin' out the door at night
He must be running up inside you right
I know you're foolin', don't you try to lie
I can feel it, can feel it, yeah
You text him on your phone again
Try to cover, but your cover's blown and then
What you gonna do when I'm gone, girl?
'Cause, baby, it's too late, yeah

Who do you think you're foolin'?
It's not me
I figured you out and now we're drowning slowly
'Cause I can see right through you
And I believe
Baby, you don't see me, you don't see me

It's too late, it's too late, it's too late, much too late
It's too late, it's too late, it's too late, much too late

What you thinkin' trying to hold my hand
I know you're thinking about another man
He can never fuck you like I know I can
But it's too late, it's too late, yeah
I'm leavin', I'm leavin'
You're so damned deceivin'
I'm not coming back, 'cause if I do
You're bleeding
All over this couch and this rug
And this house
These pictures are haunted
You murdered them all

Who do you think you're foolin'?
It's not me

I figured you out and now we're drowning slowly
'Cause I can see right through you
And I believe
Baby, you don't see me, you don't see me
