

Hourglass

Balthazar

Maybe I don't
Wanna be this patient
Maybe I don't
Feel like pressing pause
Don't underestimate
A heartbreak can take ages
Don't underestimate
Time is moving slow, mh

But taking some time I thought to see what's inside
With the breaking the hourglass to see what's there
Only sand

I do not wanna wait
Ah-ah, I do not wanna wait
I do not wanna wait
Ah, I do not wanna wait

Maybe I'm not
Not a friend of patience
Maybe I'm not
A kind of guy to pass
Don't underestimate
The sun not in the desert
Don't underestimate
A thirst when you move slow, mh

But taking some time I thought to see what's inside
With the breaking the hourglass to see what's there
Only sand

I do not wanna wait
Ah-ah, I do not wanna wait
I do not wanna wait
Ah, I do not wanna wait

I can't slow down, don't want to
I cannot lose more time here
I can't slow down, don't want to
I cannot lose more time here
I can't slow down, don't want to
I cannot lose more time here
I can't slow down, don't want to
I cannot lose more time here
I can't slow down, don't want to
(I do not wanna wait)
I cannot lose more time here
(I do not wanna wait)
I can't slow down, don't want to
(I do not wanna wait)
I cannot lose more time here
I do not wanna wait
Ah-ah, I do not wanna wait
I do not wanna wait
Ah, I do not wanna wait
