

# Linger On

Balthazar

I heard of the virtue of a patient heart  
So I'll just stick around till you can tell me apart  
Oh it's haunting the way I can't keep you off my mind  
Is that same mind now making up its own signs?

Guess I will know in time  
I'm not in a hurry now

And if I linger on  
Till it comes in my direction  
Let me linger on  
Till you give me your affection  
And if I linger on  
Till it comes in my direction  
Let me linger on  
Till you give me your affection

They say I'm a fool for waiting such a long time  
But don't be worried darling this fool said that he doesn't mind  
You know where to find me at the end of the line

It's all about the right time  
I'm not in a hurry now

And if I linger on  
Till it comes in my direction  
Let me linger on  
Till you give me your affection  
And if I linger on  
Till it comes in my direction  
Let me linger on  
Till you give me your affection

I'm not in a hurry now  
I'm not in a hurry now

And if I linger on  
Till it comes in my direction  
Let me linger on  
Till you give me your affection  
And if I linger on  
Till it comes in my direction  
Let me linger on  
Till you give me your affection
