

Feelin' Alright

Bamboo

Seems I've got to have a change of scene
Cos every night I have the strangest dreams
Imprisoned by the way things could have been
Left there on my own or so it seems
I got to leave before I start to scream
Somebody's locked the door and took the keys
[Chorus]

You feelin' all right
I'm not feelin' too good myself
You feelin' all right, all right
I'm not feelin' too good myself, oh

Boy, you sure took me for one long ride
And even now I sit and I wonder why
Then when I think of you, I start myself to cry
Just can't waste my time, I must get by
Gotta stop believin' in all your lies
I got too much to do before I die

[Repeat Chorus]

(Feelin' all right)
Don't get too lost in all I say
Cos everytime I really felt that way
But that was then and now it's today
But I can't get off yet so I'm here to stay
Til someone comes along and takes my place
With a different name, yes, a different face

[Repeat Chorus 2x]
