

# Long Train Running

Bananarama

Down around the corner  
Half a mile from here  
See them long trains run  
And you watch them disappear

Without love, where would you be now  
Without love

You know I saw miss Lucy  
Down along the tracks  
She lost her home and her family  
And she won't be coming back

Without love, where would you be right now  
Without love

Well the lilino is central  
On the southern central freight  
Gotta keep on pushing mama  
You know they're running late

Without love, where would you be now  
Without love

Well the pistons keep on turning  
And the wheels go round and round  
And the steel rails are cold and hard  
For the miles that they go down

Without love, where would you be now  
Without love

Baby baby baby baby babe  
Oh won't you move it down  
I gotta keep on moving  
Gotta keep on moving
