

Young at Heart

Bananarama

Young at heart
Yet what a start
Old before their time
Married young
For love at last
It was there only crime

How come I love them now
How come I love them more
But all I wanted to do when I was
Old was to walk out the door

Young at heart
Yet not a chance
To be a child at all
They told me tales
They told me lies
I shouldn't have known at all

How come I love them now
How come I love them more
But all I wanted to do when I was
Old was to walk out the door

Young at heart
Should exercise
Who's right who's wrong
Two brothers two more hearts
Too hard to take it all

How come I love them now
How come I love them more
But all I wanted to do when I was
Old was to walk out the door
