

Paul Edward

Bang Sugar Bang

well I see you young and strong and wise as you are just right
now
and I don't fear nothin' when you come around
and I'm blessed by your beauty everytime you're in town
and every mark i make is with you
I'm gonna show you Paul Edward
well your feet never liked being on the ground
and don't you know that's why came around slippery words combin
e
I see the world with your eyes
colorful lives I've lived
open my arms you are a gift
and every mark I make is with you
I'm gonna show you Paul Edward
every day is summer playing
overhead i hear your plane
the sky is blue as in a dream
the wind blows by you're here with me
every day Paul Edward I'll show you
