She's So Up

Bang Sugar Bang

yeah steerin' by the stars embedded in the sidewalk up she's shiny like the fenders on a cocaine car so up I don't want my head on my shoulders she goes higher and higher and oh my god she's so up bullet-proof black and ready for mourning get up written in red a light polluted hallelujiah so up trollin' through the phoneb ook rollin' all the dark streets up pull in' ten-to-midnight bendin' all the white light up heaven help me when they turn me loose I wanna climb in those rockstar boots she's my bible cause I want to believe well I'm thinkin' but I'm not on my feet now I'm up
