The hero is exposed when His crimes are brought to the light of day Wont be feeling sorry, sorry, sorry On the judgement day

Wasn't it me who said Therell be a price to pay

And I wont feel bad at all When the hero takes a fall When the hero takes a fall (hero takes a fall) oh no

Your mother told you stories You substitute with girls who tell you more Suddenly you sight a fancy chance Since love is at your door

Were seeing through you now I saw it all before

And I wont feel bad at all When the hero takes a fall When the hero takes a fall (hero takes a fall) oh no

Oh oh, oh oh, oh oh Oh oh, oh oh, oh oh Oh oh, oh oh, oh oh

Emotion is a virtue

For you it is the one fatal flaw

Sitting on your throne and drinking

Thinking shell return your call

Every storys got an ending Look out, here it comes, here it comes

And I wont feel bad at all When the hero takes a fall When the hero takes a fall (hero takes a fall) oh no

Oh oh, oh oh, oh oh Oh oh, oh oh, oh oh Oh oh, oh oh, oh oh
