

Alaska

Banks

Used to call it nothing
And then you turned it into something
You were a petal I could pluck then

Maybe we should touch or something
I promise I won't fall in love then
You could put me in your pocket
Wouldn't you like that?

Jimmy Jimmy Jimmy Jimmy don't go
I found a letter from your friend he said you're gone
He said you were going to the mountain with the most snow so long

Told me you were headed for Alaska
I thought I dreamt it but I know it now it's on
Instead of writing letters Jimmy could've had my heart to lean on

Fake! You dedicate me nothing!
You couldn't say it we were something!
You got me all huffin' and puffin'
Maybe we should kiss or something
I promise I won't fall in love then
You could put me in your pocket
Wouldn't you like that?

Jimmy Jimmy Jimmy Jimmy don't go
I found a letter from your friend he said you're gone
He said you were going to the mountain with the most snow so long

Told me you were headed for Alaska
I thought I dreamt it but I know it now it's on
Instead of writing letters Jimmy could've had my heart to lean on

Call me to tell me something that you want from me
And I give in in the beginning when you ask for me
And the buzz that I know I get it when you're sweet to me
I don't know why I'm going took the map from me
And I know that I want to feed him 'cause he's so hungry
You could put me in your pocket
Wouldn't you like that?

And now I'm saying

Jimmy Jimmy Jimmy Jimmy don't go
I found a letter from your friend he said you're gone
He said you were going to the mountain with the most snow so long

Told me you were headed for Alaska
I thought I dreamt it but I know it now it's on
Instead of writing letters Jimmy could've had my heart to lean on

You shoulda told me
Jimmy Jimmy Jimmy Jimmy don't go
Say you're my only
Jimmy Jimmy Jimmy don't go
You should've told me told me told me told me
Told me you were heading to Alaska

Baby you coulda warned me
Jimmy Jimmy Jimmy Jimmy don't go
And baby you could've told me
Jimmy Jimmy Jimmy Jimmy don't go
Jimmy you could've told me told me told me told me
