

# For Your Love

Barclay James Harvest

**B Eb**  
For your love I cry  
**Eb**  
The long lonely hours  
**B F**  
Before the dawn  
**B Eb**  
In my dreams I try  
**Eb**  
To hold back the dark  
**Cm**  
To hold back my fear  
**B Eb B F**  
But I'm not alone tonight  
**B F Eb**  
So help me turn the tide  
**B Eb B F**  
Light up the flame of love  
**B F**  
And let it shine

**B Eb**  
I have hope, I pray  
**Eb**  
That someday we'll all  
**B F**  
Have love of our own  
**B Eb**  
In the long lonely night  
**Eb**  
I'll hold to the fire  
**Cm**  
That's burning so bright

**B Eb B F**  
But we're not alone tonight  
**B F Eb**  
So help me turn the tide  
**B Eb B F**  
Light up the flame of love  
**B F**  
And let it shine

**B Eb Eb B F B Eb Eb Cm**

**B Eb B F**  
We're not alone tonight  
**B F Eb**  
So help me turn the tide  
**B Eb B F**  
Light up the flame of love  
**B F**  
And let it shine

**B**  
Let it shine  
**Eb**

Let it shine

**B**

Let it shine

**Eb**

Let it shine
