I Can't Go On Without You

Barclay James Harvest

```
I can't go on without you
There's a part of me that's gone
Like a day without the sun
I can't go on without you

There is nothing I can do
And no words that I can say
All the meanings slip away
I can't go on without you

I used to think you loved me so
Now you have gone and love's no more

I can't go on without you
Though I must try to live again
But my tears fall like the rain
I can't go on without you

I can't go on without you
There's a part of me that's gone
Like a day without the sun
I can't go on without you
Like a day without the sun
I can't go on without you
```
