

Watching You

Barclay James Harvest

Dm Am Dm Am

Dm Am

Try to see it from the other side

Dm Am

Keep on looking for a place to hide

Dm Am

You don't have to tell me

Dm Am

It's easy to find

Dm Am

If you're trying to make your dreams come true

Dm Am

Then just keep on doing what you do

Dm Am

And if you don't break the rules

Dm Am

It's going to be fine

Dm

So I'm just sitting here

Waiting for the dawn to break

Dm

Just sitting here

Waiting for the time it takes

Dm

I'm sitting here

Dm Am G F G Am

Searching for a clue

watching you

Dm Am Dm Am

Dm Am

Here, this is me

Dm Am

I'm living my life through the night constantly

Dm Am

Or so I've been told

Dm Am

Hope I can make it before I grow old

Dm Am

With love on my side

Dm Am

I could write you a song that would make your heart fly

Dm Am

So good for your soul

Dm

But there's something about you

Am

That's leaving me cold

Dm

So I'm just sitting here

Waiting for the dawn to break

Dm

I'm sitting here

Waiting for the time it takes

Dm

Just sitting here
