

Welcome To The Show

Barclay James Harvest

E **E**
We can't all be right

B **B**
We can't all be wrong

C#m
It's a long journey

E
We travel on

E **E**
Gypsies of the night

B **B**
Riders of the storm

C#m
Though it's heartbreaking

E **E**
We must go on

E
Wrong place

E
Wrong face

A
Somewhere on the road

E
Keep playing

E
And saying

A
Welcome to the show

E **E**
Those who laugh the first

B **B**
Must cry later they say

C#m
As the stage curtain

E **E**
Brings on the girls

E
And they surely do well

E
For the politicians who sell them

B **B**
On TV today

C#m
Makes me uncertain

E **E**
Of who runs the world

E
Wrong place

E
Wrong face

A
Somewhere on the road

E
Keep playing

E

And saying

A

Welcome to the show

E

My friends, all the trends that have gone

E

B

B

Are as one in the minds of today

C#m

E

With their eyes open they can't see the signs

E

E

And the moment belongs to the video songs

B

B

Leading nowhere at all

C#m

E

And the fools talking, the blind lead the blind

E

Wrong place

E

Wrong face

A

Somewhere on the road

E

Keep playing

E

And saying

A

Welcome to the show

C#m

We started something

E

Now we can't get away from it all
