Everything's a lie We're all gonna die Before we say goodbye, let's attack

I admit it's bleak
But I give it a week
Until our friends the meek give it back

Is it true? Well it's true enough I guess Join the chorus of the second best

Second best ...

What's left of you that's real A mutated ideal With limited appeal, I suggest

If hitting is an art
Then it's drawn us apart
When you erased your heart and beat your chest

Is it you? Well it's you enough I guess You're an angel in a see-through dress Is it true, yes it's true enough I guess

Second best ...

Perhaps it's just as well
That I still look like hell
At least the world can tell us apart

Is it true? Yes it's true enough I guess Come join the chorus of the unimpressed Is it true, yes it's true enough I guess Sometimes it's better to be second best

Second best ...
