

When I Grow Up

Barney

When I grow up, I'd like to build a barn
Try to wonder if I'll know how
I guess I just keep learning things a little at a time
And I think I'll start right now

Because we learn big things a little at a time
To go right up the mountain, first we learn to climb
I can be anything when I grow up
By learning a little at a time

When I grow up, I'd like to write a song
But I wonder if I'll know how
I guess I just keep learning things a little at a time
And I think I'll start right now

Because we learn big things a little at a time
To go right up the mountain, first we learn to climb
I can be anything when I grow up
By learning a little at a time

When I grow up, I'd like to fly a plane
But I wonder if I'll know how
I guess I just keep learning things a little at a time
And I think I'll start right now

Because we learn big things a little at a time
To go right up the mountain, first we learn to climb
I can be anything when I grow up
By learning a little at a time
