

# Clouds

Barry McGuire

Clouds  
I can't keep my eyes  
Off them clouds in the sky  
'Cause I know it won't be long  
Won't be long

Clouds  
I can't keep my eyes  
Off them clouds in the sky  
'Cause I know it won't be long  
It won't be long

I wake up in the morning  
And I'm waiting  
Creation seems to be anticipating  
And I'd love to be the one  
To introduce you to God's Son  
'Cause you may be  
Why He's been hesitating

Clouds  
I can't keep my eyes  
Off them clouds in the sky  
'Cause I know it won't be long  
Won't be long

Talk about your rock stars  
A-comin' to town  
Well, are you blind to  
All the times they've let you down  
Yes, and when that angel shouts  
You'll know what I've been talking about  
And won't you feel sad  
If you're still hanging 'round

Clouds  
I can't keep my eyes  
Off them clouds in the sky  
Because I know it won't be long  
It won't be long

Talking 'bout clouds

It changes in the twinkling of an eye  
We won't even have the time to say goodbye  
So, goodbye  
But, you can come-on with us now  
If you give your live to Jesus now  
And you suddenly take an interest  
In the sky

Clouds  
I can't keep my eyes  
Off them clouds in the sky  
'Cause I know it won't be long  
It won't be long

Yeah, clouds  
I can't keep my eyes  
Off them clouds in the sky  
Because I know it won't be long  
It won't be long

Oh, no, no, no, no, it won't be long  
It won't be long  
Yes, I know, it won't be long  
It won't be long
