

Do You Believe In Magic

Barry McGuire

Do you believe in magic in a young girl's heart
How the music can free her whenever it starts
And it's magic if the music is groovy
It makes you feel happy like an old time movie

I'll tell ya about the magic it'll free your soul
But it's like trying to tell a stranger 'bout rock 'n roll

If you believe in magic, don't bother to choose
If it's jug band music or rhythm and blues
Just go and listen it'll start with a smile
It won't wipe off your face no matter how hard you try

Your feet start tapping and you can't seem to find
How you got there so just blow your mind

If you believe in magic come along with me
We'll dance until morning, just you and me
And maybe, baby, if the music is right
I'll meet ya tomorrow and will go late at night

And we'll go a dancin' baby then you'll see
All the magic's in the music and the music's in me, yeah

I believe in magic
Believe in the magic of a young girl's soul
Believe in the magic of rock n roll
Believe in the magic that can set you free
Yeah

Do you believe like I believe?
Do you believe like I believe?
Do you believe like I believe?
Do you believe like I believe?
Do you believe like I believe?
Do you believe like I believe?
