

# Let The Dead Bury The Dead

Barry McGuire

Let the dead bury the dead  
Why, come on and follow me  
Well, let the dead bury the dead  
Yeah, come on and follow me

You know, that that's what Jesus said  
He said, come on and follow Me  
Yes, that that's what Jesus said  
He said, come on and follow Me

Yeah, come on, come on, come on  
Come on, follow Me, that's right  
He said, come on, come on, come on  
Come on, follow Me, yes, He did now

He said, come on, come on, come on  
Come on, follow Me, yes, He did  
He said, come on, come on, come on  
Come on, follow Me, follow, follow Me

He said, come on, come on  
Come on, follow Me, yeah, yes, He said it  
He said, come on, come on, come on  
Come on, follow Me right now, yeah  
Everybody come on

Come on, come on, come on  
Come on, follow Me, yeah  
He said, come on, come on, come on  
Come on, follow Me, yeah...
