

The Time Is Right

Barry White

It`s time
I`m sincere. I say what I mean
And I mean just what I say
I`ve never felt like this
Loving so hard, so deep, so quick
Babe look into my eyes
And all I see is you
And if you agree to be with me
No lies, no games, no tricks

I hope you`re felling the way I do
And I hope you nedd it
Needing my love the way I need you

The time is right, right now
Give your love to me
Let me show you how

I`ve always knew darling
It would take a very special lady for me
The first time I saw you
You were everything I wanted
And everything I need

I hope you`re feeling the way I do
And I hope you`re raching
Reach out to me I`m reaching for you

The time is right, right now
Give your love to me
Let me show you how
The time is right, right now
Give it all to me
Let me show you how
