

Best Song Ever Parody

Bart Baker

First you take our worst song yet.
Then you dress Zayn up as a chick.
You two can play gross execs.
I think I should look more jewish.

This video's starting to suck dick
But how can we make it total shit?

We are trying to make the worst vid ever
That is why Harry is dressed up like a nerd
What about Liam though? he needs a character
How about a homo choreographer?
And I can go oh oh oh
And dance like a stereo
Typical gay
Now let's break stuff!

Nothing in this video
Has to do with what we're singing
Because it's a cheap promo (it's an advertisement)
For iur horrible new movie

Come on guys we need to make this worse
OK but let me kiss Niall first

Now let's all prance down a hallway together
Trash this place for no reason whatsoever
I'll pee on this girl's desk
I'll throw her computer
What the hell is wrong with you crazy crackers?
Now I'm in a shopping cart
Did you know I play guitar?
Nobody cares
Flip the table!

This video is officially shitty now
But the one thing that we are still missing is a dance

NO! NO! NO!
YES! YES! YES!
please don't dance!
1! 2! 1,2,3!

Now we all are doing the worst dance ever
It's so bad it's giving that man a seizure
Holy crap guys look at that
What are those strange creatures?
We are aliens who made the planet earth
The human race was a big experiment
And we're sad to say this video's proven
It was a big mistake se we now must end it
Congrats on fucking your entire planet
Hold on please no no no
We'll stop the video
It is too late
Oh shit we're screwed!
