

Hangover Parody

Bart Baker

Hungover hungover hungover woke up an organ donor
Bent over bent over throwing up next to a big black stoner
Brrrrrr! Can't stop puking. Brrrrrr!
Where'd I get this ring?
Hey I have one too we must have married this morning
Who's that kid? Who's that kid? Who's that kid?
Oh shit he is adopted
I'm tatted
Goddamnit! I wonder what else we did can't remember shit
Need to check our pics
We totally blacked out
What the hell dude did we kiss?

It's aight, I look like, the black Slender Man
"Gentleman" was better than this song
Still think I'm Rasta mon
Yea my braids so old they got cobwebs
Last night was not fun
Afriad we touched willys
Really for sure that
In this video Psy spends more time eating noodles than he does singing
Diabetes

This song is a miss
I just took a piss
That's why the water look like this
Eenie meenie miney mae
This beat copied "Harlem Shake"
It is in my contract to always be in a jacuzzi
Hey!

Drinking again to forget that we made a porn
We were drunk, so messed up
Found a bird inside my butt
I love you Snoop Dogg
Love you too William Hung
Come on man!
Why? Wassup?
Wrong Asian man!
I fucked up!
