

Look What You Made Me Do Parody

Bart Baker

I'm back
With another hit
That
Proves I'm psychotic
And
Over sensitive
I'm angry, nobody gets me
If you
Rub me the wrong way
Like
Katy and Kanye
You
Will rue the damn day
Satan does not give up a grudge

I'm an angry delusional entitled baby
Every song I make I have a victim mentality
I'm so deranged I made a list of all those who've wronged me
And every single one must die!

Ooh look what you made me do
Stop strangling me fool!
Look what you just made me do
Now time to kill Katy!
Ooh hey Katy hun guess who?
Taylor?
Yep good guess boo
Look what you just made me do
Look what you just made me do

Finally you get to see
The true version of me
I've always been an evil beast
Who's career was bought by daddy

I am the definition of insane oh yes that's me
I can't take any hate I'm full of insecurities
Pretended to shake it off but that was a lie clearly
So now the entire world must die!

Ooh look what you made me do
Look what you made me do
Look what you just made me do
Look what you just me do

I'm the great Lord Lucifer haters bow to me
You all asked for this I hope that you're happy
Prepare to feel my wrath I will show no mercy
It's time Satan Swift destroys humanity!

I'm sorry, the old Taylor can't come to the phone right now
Why?
Oh cause she had another really bad period
Became a totally crazy insecure childish evil maniac
Turned into the Devil
And is now in the process of wiping out all of mankind!

Ooh look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do

Taylor stop this madness
Kanye you are Jesus?!
Yes and since you murdered me
I've risen in peacefulness
I came to say sorry
And bring you this kitty
OMG he is so sweet
Look at his cute kitty feet
Now God her guard is down
It's time to end this now
In the name of the Father Son and Holy Spirit
MEOW!
